August newsletter

In this edition, you can read about:

- The registration for the **European Week of Regions and Cities 2021**
- The results of the **fifth call** for approved projects
- Our **webinar on cooperation** for better policy design
- A story about **waste prevention improvement**
- The continuation of our **Cycling Cities webinar series**
- The **European Cooperation Day 2021**
- More latest news and upcoming events...

The European Week of Regions and Cities is open for registration

The **registration** for over 300 online sessions and a virtual exhibition at the EU Regions Week 2021 has just opened. Join us and our projects between **11 and 14 October**. Find out more about our sessions and register here. [>>>](#)

The results of the fifth call in figures

The call for additional activities of our approved projects closed on 2 July. Now we have the results of the assessment. You can also have a look at figures about the approved proposals. [>>>](#)

Better policy design with cooperation

Our Policy Learning Platform experts and Apolitical invite you to a webinar on **9 September at 15:00 CEST** about the benefits of cooperation for policy design. Find out more and register here. [>>>](#)

A re-use map for waste prevention

Sharing of good practices in waste prevention within the [SUBTRACT](#) project led to the development of a new interactive map with re-use shops in Styria, Austria. Read also about three tips for re-use. [>>>](#)

The Cycling Cities webinar series is back

In September, we offer you two new webinars about bicycles' contribution to our zero-carbon future. Join us on **16 and 23 September** to discuss cargo bikes and compare bikes and car use. Click for more. [>>>](#)

Celebrate cooperation in your region

For a decade, 21 September has been the day when European territorial cooperation programmes and their projects bring the benefits of cooperation closer to citizens at events. See what is close to you. [>>>](#)

Featured result

Every month, we highlight one **result from our projects**. This month, let's look at [InnovaSUMP](#). See how the project helped [the City of Prague introduce electric buses](#) in the capital of the Czech Republic. You can read about this result and many more in our publication. [>>>](#)
