June newsletter

In this edition, you can find out about:

- The figures of our first **call for project proposals**
- The updated **good practice database**
- Highlights from our **annual report 2021**
- The **40th peer review** takes place this week in Poland
- Our webinar about the **rural green transition**
- Our latest policy brief on **low-carbon interventions**
- More latest news and upcoming events...

Get the first figures of the call

Our first call projects are expected to be approved at the end of the year. In the meantime, you can already have a look at our **overview** of the call and get the first figures. [>>>](#)

See the updated good practice database

Your **good practice dashboard** has undergone a makeover. Discover the **new features** now! [>>>](#)

Check out our highlights for 2021

Our citizens' summary presents the **highlights** from our latest **annual implementation report**. Have a look at what happened in 2021. [>>>](#)

Host a peer review

This week in Gdansk, Poland, we hold our **40th peer review**! Whatever your policy challenge, you too can benefit from this service. Apply now! [>>>](#)

Learn about the rural green transition

The Policy Learning Platform will host a webinar on the **rural green transition**. Join us online on **13 September**. [>>>](#)

Read about low-carbon interventions

Are you looking for **solutions to tackle energy poverty**? Read the policy brief on low-carbon interventions prepared by our experts. [>>>](#)

Featured result

Every month, we highlight one **result from our projects**. This month, let's look at [CircE](#). See how the project inspired 53 municipalities in Slovenia to reduce single-use plastics. You can read about this result and many more on our website. [>>>](#)
