**Interreg  
Europe**

Co-funded by  
the European Union

## April newsletter

In this edition, you can find out about:

- The **project development** videos
- The **Rethinking local policies** event
- The chance to get **feedback on your project idea**
- Updates about the Interreg Europe **community**
- The **European Sustainable Energy Week**
- A survey for our **website's search** improvement
- More latest news and upcoming events...

### Watch our project development videos

The **deadline** of the **second call** for project proposals is coming closer (**9 June 2023**). Explore our **instructional videos** and other material for your **project proposal development**. Hurry up to finalise your application. [>>>](#)

#### Join our policy-learning event

Meet people from other Interreg Europe projects at an event focusing on **rethinking local policies** on **31 May and 1 June**. Register now! [>>>](#)

#### Ask for feedback on your project idea

You have one month left to ask for **feedback on your project proposal** from our team. Do not miss the chance to improve it before applying. [>>>](#)

#### Make the most of your membership

Are you still **looking for partners** to complete your project? Update your Interreg Europe **community profile** and stand out from the crowd. [>>>](#)

#### Meet us at #EUSEW2023

Interreg Europe will be present at the Energy Fair of the **European Sustainable Energy Week**. Come and drop by our stand between **20-22 June!** [>>>](#)

#### Help us improve our website search

Take 5 minutes to tell us how you use the **search function** on our website. The survey is open until **19 May 2023**. [>>>](#)

## Featured project

European Union  
European Regional  
Development Fund

**SMART-MR**  
Interreg Europe

Every month, we highlight one **result from our projects**. This month, let's look at [SMART-MR](#). See how the project fostered low-carbon and resilient transportation in metropolitan regions. You can read about this project and many more on our website. [>>>](#)
